JOINT CONSENT MOTION TO EXTEND DISCOVERY DEADLINES

The parties, by their respective undersigned counsel request this Court to approve the Stipulation as follows:

Discovery Deadline; Submission of Status Report 01/13/03

Requests for Admission

Dispositive Pretrial Motions Deadline 02/10/03

The parties respectfully submit that, in the instant medical malpractice action, this proposed discovery schedule would permit the parties to complete discovery, including discovery of the opinions of expert witnesses through their oral deposition testimony, in advance of the close of discovery and the commencement of post-discovery proceedings.

The parties further state that significant discovery has been scheduled and completed. Moreover, the parties are cooperating in the scheduling of the remaining expert witness depositions, and expect to have all discovery completed on or before January 13, 2003.

WHEREFORE, the parties, through their respect counsel, respectfully request that this Honorable Court grant their Joint Consent Motion to Extend Discovery Deadlines.
